Elijah recognized the voice of God not in the strong and heavy wind, not in the earthquake, and not in the fire, but in a tiny whispering sound. May we find enough quiet in our clamorous world to hear His voice and discern what he is calling us to do and be.

### One Liners

I thought you might enjoy these One Liners.

Peace starts with a smile.

It is easier to preach ten sermons than it is to live one.

Opportunity may knock once, but temptation bangs on the front door forever.

Many folks want to serve God, but only as advisors.

Quit griping about your Church; if it was perfect, you couldn't belong.

We're called to be witnesses, not lawyers or judges.

God doesn't call the qualified, he qualifies the called.

God loves everyone, but probably prefers "fruits of the spirit" over "religious nuts!"

The task ahead of us is never as great as the Power behind us.

The Will of God never takes you to where the Grace of God will not protect you.

We don't change the Message, the Message changes us.

Life isn't about waiting for the storm to pass. It's about learning to dance in the rain.

*Peace and Blessings,*

*Father Mark*

#### **RACHEL'S CHALLENGE**

*"I have this theory that if one person can go out of their way to show compassion then it will start a chain reaction of the same"*

*Rachel Scott*

On Thursday, September 22, 2011, the children, faculty and parents of the school will launch RACHEL'S CHALLENGE. Rachel was the first student killed at Columbine High School. After her death her family found tracings of Rachel's hand with the following words written inside, "These hands belong to Rachel Joy Scott and will some day touch millions of people's hearts."

The faculty and Home School Association of Saint Pius X School are happy to welcome the team for Rachel's Challenge in early September. The main goal is to inspire, equip and empower students to affect permanent positive change through a chain reaction of kindness and compassion.

Please pray for the success of this challenge.
