Gift Of Life

God sends each person into this world
with a special message to deliver,
with a special song to sing for others,
with an act of love to bestow.

No one else can speak my message,
or sing my song, or offer my act of love.
These are entrusted only to me.

According to this tradition,
the message may be spoken, the song sung,
the act of love delivered only to a few,
or to all the folk in a small town,
or to all the people in a large city,
or even to all those in the whole world.

It all depends on God's unique plan for each
person.

To which we might add:

the Greatest gift of God, one would think,
is the gift of life.

The greatest blessing it would seem,
would be to return that gift,
gratefully and openly.

Saint Pius X School

Come, Visit, Enjoy

The weather is changing and we are deep into the routine of school. A school Mass, academics, science experiments and tasty hot lunches take up our days. The very best part of our day is simply enjoying one another.

We are proud of our parents and teachers who have chosen this way of life for their child. A Catholic school education is a gift for a lifetime. The souls and beautiful spirit of your child are nourished. We pray that these children become leaders who change our world for the good.

Come and visit. The faculty and children welcome you.
